Then click the firebase link to be able to login and continue.</p> <p data-bbox="847 1921 1016 1951">Image 1. Log In</p>

The image displays two versions of the 'REGISTER' screen in the Klinapp. Both screens have a green header with the time 8:34 and status icons. The left screen lists the following fields from top to bottom: E-mail Address (with an envelope icon), Password (with a shield icon), confirm password (with a shield icon), Phone Number (with a phone icon), Address (with a house icon), Last Name (with a person icon), First Name (with a person icon), and Middle Name (with a person icon). The right screen lists: E-mail Address (with an envelope icon), Password (with a shield icon), confirm password (with a shield icon), Nickname (with a person icon), Phone Number (with a phone icon), Address (with a house icon), and Owner's Name (with a person icon). A green 'SIGN UP' button is located at the bottom of the right screen.

The screenshot shows the 'Klinapp' mobile application interface. At the top, there's a green header with the app name 'Klinapp'. Below the header, there's a dark blue background with a white back arrow icon. The main content area is a form with several input fields and buttons. The first field is a dropdown menu labeled 'Please Select Category' with 'House' selected. Below this are four text input fields: 'Clean', 'Sweep the Floor and Map', '350', and '7017, Purok 7, Kias'. The last field has 'Purok' underlined in red. Below these fields is a section titled 'Lister's Information' in blue. It contains two more input fields: 'Listers Phone Number:' with the value '09954206723' and a green phone icon, and 'Listed By:' with the value 'Pogi' and a white person icon. At the bottom of the form is a large green oval button labeled 'ADD'. The bottom of the screen shows the Android navigation bar with three icons: a hamburger menu, a square, and a back arrow.
